Bekah Marie Band is an Atlanta based band. They rock out to their original sound which has been categorized alt-pop rock by Atlanta's finest vocal coach Jan Smith. We have one song released through Jan called "Guns and Gold" (Remastered) and a six song EP, Crossroads on the way! We are fortunate to currently be working with Scott Klielkak from AIMM and Goodwood Studio to release our first full EP. Feb 17th- April 2023

We are open to booking at this time upon release. Our music has a central core around mental health and addiction past and the route to recovery from darkness. We aim for connection and fun with our fans and hope to bring a special show to your city soon! BMB also sells t-shirts and stickers and is open to accepting donations via PapPay, Venmo, or Cash App.
